

The Construction Business Builder

Construction Field & Project Management Systems That Work!

- How To Make Every Project Successful

Workshop
Or Seminar

George Hedley, CSP

Building Entrepreneurial Excellence!

George Hedley is the owner of a successful commercial construction and real estate development company. Over 28 years ago, he founded and built his business from \$0 to \$50 million dollars in only 7 years! As recognition, George received the nationally recognized award: 'Construction Entrepreneur of the Year' by Ernst & Young and 'Venture' magazine.

Mr. Hedley's experience starting, growing & building his business into an organized management run company enables him to show you how to get your business to work. As a general contractor, he has built over 250 projects valued in excess of \$500 million, executed over 10,000 subcontracts & currently owns over 50 buildings.

As a 'Certified Professional Speaker' he will help your organization build people and leaders, create long-time repeat loyal customers, focus on bottom-line priorities, install systems that always make a profit, continuously improve, grow equity, and build wealth.

George has served as President of 3 construction industry associations and is the author of

- 'Get Your Business To Work!'
- 'The Business Success Blueprint'
- 'Everything Contractors Know About Making A Profit!'

What They Say About This Program:

"Your presentation was the best we have had in the last two years. It was fun, humorous & gave systems for instant application."
- Valerie Geiger, V.P. ABC

Construction Field & Project Management Systems That Work!

Make every project a success by following these proven steps to get organized and in-control on every job. Learn the 7 steps to replace yourself with systems, how to create a "DO" manual for your company, the team approach to construction, how to make people accountable and responsible, delegate, set goals and targets to achieve results and track project milestones. Get everyone on the same page, monitor schedules & quality, start projects right, keep on-budget, build safe and stay on-track.

Make your projects a "Win-Win" by implementing solutions for procurement, getting paid fast, job cost review, construction contract basics, change order procedures, shop drawing approvals, pro-active meetings, field paperwork, jobsite management and job close-out. Presented by a top rated speaker and contractor in a fast paced interactive format with a detailed handout.
